## President's Corner

Hello again,

I don't know how you feel, but it seems the older I get the quicker time goes by.

We are preparing for awards night again. It has been said that the awards presented at CHS on awards night are very impressive and second to none.

We have the pleasure of presenting a new award in remembrance of Joe Archambeault. Joe was an employee of New York State Department of Labor and President of the Civil Service Commission.

I am sure that many of you will remember Joe as a very active citizen of Cohoes.

He and his wife Sally and three children, Joe, Denise and Debbie were our neighbors and we shared many times at the baseball field when Joe and Denise played ball with our four older boys.

Joe Sr. was a coach for both Little League and Babe Ruth Baseball.

This award was created by Councilman Steve Napier and Joe's Family. It will be awarded to a graduating senior who resides in the Fifth Ward of Cohoes, has excelled in academics and is well rounded.

Awards night is June 23, at 6:30PM at Cohoes High School Auditorium.

The annual meeting of CHS Alumni Assn. will be held at 6:00 PM on Thursday May 12, 2016 at my home at 60 Simmonds Avenue, Cohoes.

## Mayor Highlights Goals for Cohoes

Mayor Shawn Morse delivered his first State of the City address with a promise of transformation that would match the city's new motto of "Cohoes Proud". Speaking to a packed crowd in the Cohoes Common Council Chamber at the City Hall Tuesday evening, the Mayor reviewed the highlights of what his administration has accomplished during the first seven weeks in office.

It included starting a "Safe Streets" initiative to get police officers walking the beat, adding a second shift of detectives, saving on insurance policies, adopting a solar energy program that will save seven million dollars over 25 years and starting a program to have residents file work orders for pot holes and other issues

"We are currently in talks with many investors who believe in our vision of turning Remsen Street into a new and exciting entertainment district and reinventing Saratoga Street into a bustling business area". Morse said.

The entertainment district will get a boost in the next several weeks with creation of "a partnership between Cohoes Music Hall and one of the most premier entertainment venues in the country" Morse said. He predicted more than 120 shows at the music hall would draw 40,000 visitor to the city.

"This partnership will create a wave of successful business for the future of our downtown," Morse said.

He said he wants to move ahead with creating an arts recreation and learning center by working with the Cohoes Community Center and the Cohoes Public Library.

Some very nice door prizes were raffled along with a very nice 50/50. Sorry we don't have all the names.
