Mission Statement: The Cohoes High School Alumni Association strives to promote and to foster fellowship and loyalty among the alumni and to provide financial assistance, through its scholarships and awards, to graduating seniors of Cohoes High School to encourage them to pursue their personal goals.

What's New...

We continue to be heartened by the generosity and support of so many of our alumni--from wonderful notes of praise for the work that we are doing and for the newsletter, to the establishment of new awards for our graduates. This June 2024, two more alumni families have added three new awards to the roster. The family of Ernest T. Hatch established a memorial award in his honor, giving \$500 to a student who has demonstrated interest/involvement in community/civic activities, and who plans to continue studies at a 2 or 4-year academic institution. The Sorel Family--Maureen Sorel Trefethen, William J. Sorel III, Melissa Sorel, and Mary M. Walsh-- has also established two awards. The William J. Sorel Business Award gives \$500 to a student who has demonstrated excellence in Business studies, and the Mary Sorel Nursing/Health Award gives \$500 to a student who has demonstrated excellence and interest in the health care field, including Health Education.

In this issue you will also find "news" about the upcoming 50th Year reunion of the CHS Class of '74. Find all of the details in the article below!

You will also notice in this issue a new feature--"In Memoriam". We want to give alumni a simple note of the passing of CHS faculty members and members of the Alumni Association Executive Council during the past year. In this issue, we have listed all of those who have died since 2019, when the current Board of Directors and newsletter editor took over management of the Association. Future issues will only need to provide information about those who passed since the publication of the previous newsletter.

\*\*\*Cohoes High Class of 1974---50th Reunion\*\*\*

The Class of '74 will be celebrating its 50-year reunion on Saturday, October 19, 2024 at the Ukrainian Club on Pulaski Avenue in Cohoes. Festivities will begin at 6pm and continue until 11pm with live entertainment by Rusty Old Guys with EJ Hopek. A buffet will be catered by Babe's Cafe with a limited open bar of beer, wine, and soda included. The event will definitely be informal, so please dress for comfort. The cost is \$45 per person. In order to give us an accurate head count, please email to [chsclassof74reunion@outlook.com](mailto:chsclassof74reunion@outlook.com) to let us know that you plan to attend. Please include your name (with maiden name if applicable), your email and home mailing addresses, and the number of people in your group. Once we receive your email, we will send you payment information via mail or email. \*\*Deadline for payment is October 1, 2024.

If you know anyone who is not on Facebook, please forward this information to them, or include their contact information in your email to us.

\*\*\*Updates will be posted on the Alumni Association website--

### **The President's Report...**

It's hard to believe another year has gone by, and the Alumni Association is moving along smoothly. We felt much more confident about how everything came together year—donations, awards, and the newsletter.

Donations were a bit flat at the beginning of the year, but as always, our alumni came through. We love reading the notes included with your donations; sharing them is one of the highlights of our meetings. The Founders Awards take up a largest portion of the yearly donations, so we are always looking for ways to reach new alumni in your family or any younger alumni you know and sharing our information. Our website provides a comprehensive overview of the association and features our current newsletter. Our contact and donation information are also available.

Two new families came to us this year wanting to honor a member of their family with an award. This, in turn, helps another senior achieve goals. The High School is always thrilled when we bring them new awards

The newsletter, in Sharon Mitchell's capable hands, is always full of interesting news and information. Her vision each year is clear and well thought out, making for good reading on a warm summer day.

If you're curious about how the district is doing now, please check out their website and social media pages. There is almost daily posting on Instagram with updates on what is happening in all of the schools.

### **From the Editor...**

Let me begin by telling you, my fellow alumni, how much we appreciate those of you who take the time to send notes to us with your dues/donations. Please be assured that we do read each one; some of them are notes of support for our efforts, and some contain suggestions for improvement. Your suggestions are always given careful consideration, but they may simply not be feasible for us to implement. Please realize that all of the work to produce each newsletter is actually done by only 3-4 people, so, often we just don't have the time or resources to make certain changes. If you don't see your suggestion appearing in the newsletter, please do not think that your ideas have been ignored, and please do continue to send your ideas along.

Next, you may have noticed that, over the past five or so years, several former CHS faculty have passed on; many of us are now in that age bracket from which we are called "to the Principal's office" for the last time. Quite a few of our alumni no longer live in the immediate Cohoes/Capital region and might not, therefore, be aware of these losses.

I have added an "In Memoriam" feature that includes basic information about the CHS faculty who have died since the current Board of Directors/newsletter editor took the reins of the Association. In future issues, we can list only those who passed during the previous year. Some of you may have very good, positive memories of these educators; I certainly hope so. Enjoy the newsletter!

### **Treasurer's Report...**

First, I want to express our gratitude for your continued financial support of the Alumni Association. Since June 1, 2023, we have received a total of \$14,286 in payment of dues and donations. At the Awards Ceremony on June 25, 2024, a grand total of \$84,612 was distributed to the seniors of the Class of '24. Of that grand total, \$53,300 came from the Alumni Association and its Awards sponsors.

Each year our goal is to meet all of our annual financial obligations solely from your dues and donations; those obligations include funding of the Founders' Awards and the publication and mailing of the newsletter and the postcard reminder in February. Both the newsletter and postcard are very successful in generating an influx of payments of dues and donations.

Anyone who would like more detailed information about our finances may obtain it at the annual general membership meeting that is held each year in May. We know that we can count on you to help us to reach our goal in 2025 through your continued and increased support!

## **A Profile of Marian Lambertson**

In this issue of the newsletter, we have chosen to profile Marian Lambertson, an educator who made significant contributions to the students/alumni of CHS in areas beyond the curriculum and classroom. Her recent passing from us has spurred reflection on her accomplishments as a teacher of physical education. She was a driving force to innovate the standard curriculum to inspire students to view athletic activity as a life-long pursuit and as a means to better mental and physical health. She was also a major force to open competitive sports at the high school to include female athletes and teams. Every girl who has enjoyed physical ed. classes at CHS or has been part of a Tiger team owes a debt of gratitude to Mrs. Lambertson.

### **Marian Lambertsen (1933-2023)**

Marian Lambertsen was another great gift to Cohoes High School as an educator, an athletic leader and innovator. A native of Waterford, , Marian graduated from Waterford High School in 1950. In 1954, she graduated from Russell Sage College in Troy with her degree in physical education. Despite job offers from multiple districts, Marian chose to teach in Cohoes, first at Van Schaick Elementary School and then, in 1958, transferring to the High School. After 29 years of teaching, Marian retired in 1988.

Even in the early years of her career, when the physical education curriculum was dominated by calisthenics, Marian was innovative and incorporated sports like archery, tennis, and field hockey into the phys-ed curriculum in order to move toward physical activities that students would enjoy and that could become life-long interests for them. Marian advocated for and was successful in instituting intramural basketball, volleyball, tennis, and soccer in the phys-ed program, with a long-term goal of developing girls' teams in these sports; by 1964, she had instituted the intramural girls' bowling program which led to the formation of the team that succeeds at CHS today.

In 1967, CHS joined the Colonial Council, the newly-formed sports league for boys' sports teams in our area. Marian lobbied strongly for the recognition of women's teams in the Council as well. By 1969, her efforts were rewarded when CHS women's basketball, soccer, and volleyball were included in Colonial Council competition. In 1969, Marian became the first faculty advisor of the Girls' Athletic Association of CHS, the counterpart of the long-standing Varsity Club for boys' athletics. At various points in her career, Marian served as coach of the softball team, girls' varsity bowling team, girls' basketball team, girls' cheerleading squads and the girls' soccer team that won the first Colonial Council championship in 1976.

Throughout her teaching career, Marian continued to be an innovative educator who consistently strove to teach her students the value of health-conscious, enjoyable physical activity throughout their lifetimes. Her own personal example of commitment to sports and life-long physical fitness made her an excellent role model for others.

**Awards Ceremony 2024...**

On Tuesday, June 25, 2024 at 6 pm, Cohoes High School held its annual Awards/Honors Ceremony in its auditorium to honor and recognize the achievements of the Class of '24 in the presence of the graduates' families, friends, and guests. The program began with opening remarks by Superintendent Peggy O'Shea and Board of Education President Nadia Carey. Principal Laura LePage Tarlo introduced this year's valedictorian, Kyle Smith, salutatorian, Nyasia Wade, and honorable mention graduate, Luke Paradis. Honor medals and awards/scholarships were presented by Principal Tarlo, Assistant principal Heather Bradt, Athletic Director Jeffrey Huneau, members of the guidance staff, officers and sponsors of the Alumni Association, and special guests. The total amount of monies dispensed to seniors this year was \$84,612; of that amount, \$53,300 was made available by and through the Cohoes High School Alumni Association. These funds were awarded to 79 of the 111 members of the Class of 2024 in a record-setting total of 100 awards/scholarships.

***Class News Column...*** We would like to use this space in each issue of the newsletter to share news relating to the many graduating classes of CHS. We could share news of class reunions in various stages of planning, class-sponsored fundraisers or charitable activities/events, meetings of snow birds out-of-state, brainstorming sessions for any class activities, etc.. We would especially like to begin by compiling a list of the key contact people for the various classes. If you are that person, or if you know the best contact person for your graduating class, please give us this information by using the "contact us" tab on the Association website.
